## SILVER AIRFLY EVO ENGINE GUARD

### Part No. KXA00341

Give your modern-day cruiser a modern touch with the Air Fly Evo Engine Guard. A lighter, more simplified design fits perfectly on your motorcycle for ease during cruising. Also giving the motorcycle a distinct look while adding a layer of protection. Precisely engineered from a 29mm steel tube for a perfect fit. The silver shine finish enhances the looks and keep up with your cruiser spirit.

## BLACK AIRFLY EVO ENGINE GUARD

### Part No. KXA00340

Give your modern-day cruiser a modern touch with the Air Fly Evo

Engine Guard. A lighter, more simplified design fits perfectly on your motorcycle for ease during cruising. Also giving the motorcycle a distinct look while adding a layer of protection.

Precisely engineered from a 29mm steel tube for a perfect fit.

The black metallic satin powder coating gives your cruiser a more defined and sleek look.

## SILVER COMPACT ENGINE GUARD

**Part No. KXA00343**

Cruise through the crowd with ease. Add a layer of protection to the upper engine area without compromising on style. The Compact Engine Guard is precisely engineered from 29mm stainless steel tubes for a perfect fit. The polished silver material levels up your style every time. The laser etched Royal Enfield branding on the upright gives a personalised touch giving your bike the perfect cruiser look.

## BLACK COMPACT ENGINE GUARD

**Part No. KXA00342**

## **BLACK SUMPGUARD**

**Part No. KXA00299**

Add a layer of protection to your Twin 650 engine with the Black Sumpguard.

The Sumpguard provides essential protection to the engine from dirt and debris off the front tyre, or through bottoming out whilst dropping off the edges of kerbs.

The heavy duty pressed aluminium plate is brushed and hard anodised to give a durability in the harshest conditions, with a centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

## **SILVER SUMPGUARD**

**Part No. KXA00289**

## SILVER OIL COOLER GUARD

**Part No. 1990556**

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road. Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

## BLACK OIL COOLER GUARD

**Part No. 1990558**

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road. Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

Also available in Silver (1990556)

# CONTROLS

## BLACK ROUND MIRRORS

**Part No. KXA00435**

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

## BLACK ROUND BAR END MIRRORS

**Part No. KXA00461**

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

## BAR END MIRROR MOUNTS

**Part No. KXA00277**

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM barend finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

## BLACK BAR END FINISHERS

**Part No. KXA00271**

Give your motorcycle that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodized for durability and come with laser-etched Royal Enfield branding for style.

## BLACK TAPERED BAR END MIRRORS

**Part No. KXA00281**

Look back in style on every cruise. Fully homologated Bar End Mirrors that have been cast and moulded with aluminium stems, offer enhanced strength and stability on long hauls.

The Teardrop shape is exquisitely sculpted with laser etched Royal Enfield branding, offering a wider field of visibility for a better view of the road behind you.

Requires KXA00277 Bar End Mirror Mounts  
This style also available as Touring Mirrors, KXA00276

## BLACK TAPERED MIRRORS

**Part No. KXA00276**

Look back in style on every cruise. Fully homologated Mirrors that have been cast and moulded with aluminium stems, offer enhanced strength and stability on long hauls.

The Teardrop shape is exquisitely sculpted with laser-etched Royal Enfield branding, offering a wider field of visibility for a better view of the road behind you.

ROYAL ENFIELD

## BLACK DELUXE RIDER FOOTPEGS

### Part No. KXA00331

"Glide through the highways your way. Add more comfort on long rides with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet-style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Shotgun 650.

## BLACK DELUXE PILLION FOOTPEGS

### Part No. KXA00250

Glide through the highways your way. Add more comfort on long rides for the pillion with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Super Meteor 650.

KXA00247 BLACK DELUXE RIDER FOOTPEGS are available separately

A close-up photograph of a teal motorcycle seat. The seat is black with several horizontal white or light-colored stitching lines. The motorcycle's bodywork is a vibrant teal color. The background is a brick wall.

# SEATS

## BLACK TOURING RIDER SEAT

**Part No. KXA00306**

The Touring Rider Seat is specifically designed for riders who want to travel longer distances in style and comfort. It features an enhanced aesthetic with a new cushion profile, premium embroidered branding, and improved quality. Additionally, it mounts in the same way as the OE seat.

The ride height and standover height remains similar to the OE stock seat.

## BLACK TOURING PASSENGER SEAT

**Part No. KXA00307**

"The Touring Passenger Seat is specifically designed for those who want to travel longer distances in style and comfort. It features an enhanced aesthetic with a new cushion profile, premium embroidered branding, and improved quality. Additionally, it mounts in the same way as the OE seat.. The ride height and standover height remains similar to the OE stock seat"

# LUGGAGE & ENGINE

## MODERN SOFT PANNIERS

**Part No. 1990278**

A pair of modern-styled rolltop bags constructed from premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners. Each pannier has a volume of 14,5L and can carry a payload of 3kg, providing ample capacity and protection for your next excursion with IPx6 rated waterproofing. Designed for quick attachment and removal from the motorcycle with hand-carry handles and shoulder straps, making them user-friendly and easy to carry.

\*KXA00257 - Pannier Rails will be required

## BLACK SOFT PANNIER RAILS

## BLACK SUMP GUARD

**Part No. KXA00299**

Add a layer of protection to your Twin 650 engine with the Black Sumpguard.

The Sumpguard provides essential protection to the engine from dirt and debris off the front tyre, or through bottoming out whilst dropping off the edges of kerbs.

The heavy duty pressed aluminium plate is brushed and hard anodised to give a durability in the harshest conditions, with a centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

Also available in Silver, KXA00289

## SILVER SUMP GUARD

**Part No. KXA00289**

## **SILVER OIL COOLER GUARD**

**Part No. 1990556**

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road.

Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

## **BLACK OIL COOLER GUARD**

**Part No. 1990558**

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road. Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

Also available in Silver (1990556)

# CONTROLS

## BLACK DELUXE RIDER FOOTPEGS

**Part No. KXA00247**

Glide through the highways your way. Add more comfort on long rides with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Super Meteor 650.

KXA00250 BLACK DELUXE PILLION FOOTPEGS are available separately

## BLACK DELUXE PILLION FOOTPEGS

**Part No. KXA00250**

Glide through the highways your way. Add more comfort on long rides for the pillion with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Super Meteor 650.

KXA00247 BLACK DELUXE RIDER FOOTPEGS are available separately

## BLACK ROUND BAR END MIRRORS

**Part No. KXA00461**

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

## BLACK ROUND MIRRORS

**Part No. KXA00435**

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

## **BAR END MIRROR MOUNTS**

**Part No. KXA00277**

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM bar end finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

\*1990401 & KXA00276 Bar End Mirrors are available separately

## **BLACK BAR END FINISHERS**

**Part No. KXA00271**

Give your motorcycle that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodized for durability and come with laser-etched Royal Enfield branding for style.

## **SILVER HANDLEBAR CLAMP**

**Part No. KXA00220**

Expertly sculpted cast aluminium handlebar clamp for your Super Meteor 650. Comes with a Royal Enfield branding to give your cruiser a personalised touch.

## **HEEL TOE SHIFTER**

**Part No. KXA00337**

Enhance rider comfort with the Heel-Toe shifter designed to ease shifting effort for those long rides. Effortlessly shift up with a heel tap, and down with the toe.

Designed & Engineered for seamless integration, durability and reliability. Supplied with new rubbers & bushings.

ROYAL ENFIELD

# SEATS

**Premium stitch and material**  
Premium look and feel

# DELUXE TOURING DUAL SEAT KIT

**Part No. KXQ00036**

**Kit includes;**

- Deluxe Touring Dual Seat
- Passenger Backrest Mounts
- Passenger Backrest Pad

Combining the Deluxe Touring Seat, Backrest & Pad into a single kit, this will give you a Deluxe Touring package for your Super Meteor with the upmost comfort.

The seat brings a better ergonomic form which follows the contours of the rider and a greatly increased seating area for the passenger, which work together with a foam density optimised through testing and a bespoke designed dual seat base, to give a noticeable difference in both positions. The Backrest & Pad provide lumbar support for the passenger and a set of side mounted hand-holds which both seamlessly integrate with the premium styling of the Super Meteor 650 and elevates it to the next level in terms of comfort.

# BLACK PASSENGER BACKREST MOUNTS

**Part No. KXA00206**

Styled to suit your Super Meteor 650, the Passenger Backrest Mounts provides a mounting structure for the Black Backrest Pad. Made from cast aluminium and finished in a black metallic satin powder coat, it seamlessly flows with the style of your cruiser. With two bolt positions available, the backrest can be tailored to suit your Stock Seat, Deluxe Touring Seat, or the preference of the passenger in order to personalise the space and ergonomics it offers.

Requires KXA00208 Black Passenger Backrest Pad.

**Structured design**

To support the lumbar of the pillion

## **BLACK TALL PILLION SEAT**

**Part No. KXA00334**

The 'comfort passenger seat' offers superior cushioning for an enhanced cruising experience for the 'pillion rider' on long rides. It continues to sport a seamless design that complements the overall retro styling of the Super Meteor.

## **BLACK PASSENGER BACKREST PAD**

**Part No. KXA00208**

Crafted to suit the Super Meteor 650, the Passenger Backrest Pad combines with the Backrest Mounts to provide the passenger with a comfortable lumbar support on long cruises.

Requires Black Passenger Backrest Mounts (KXA00206).

Touring Flyscreen

# TOURING SCREEN

**Part No. KXA00224**

Cruise through the wind. Equip your Super Meteor 650 with a Touring Screen to reduce fatigue and give you a clear view of the road ahead on long cruises. This hard-coated, injection-molded screen is scratch resistant and comes with a subtle Royal Enfield branding.

The pressure reduction vents help prevent low pressure areas behind the screen contributing to buffeting.

A triangulated mounting kit is included and ensures the screen blade is positioned perfectly.

## **SILVER SOLO FINISHER**

**Part No. KXA00222**

Get a solo rider look, replace your Passenger Seat with this brush finished solo finisher. It mounts to the same bolt holes as the passenger seat, covering them up and adding to your Super Meteor's cruiser persona.

## **BLACK BAR END FINISHERS**

**Part No. KXA00271**

Give your Super Meteor 650 that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodized for durability and come with laser-etched Royal Enfield branding for style.

**Ribbed vinyl with white piping**

For a premium look

## TOURING DUAL SEAT, BLACK

**Kit No. 1990482**

Who says practicality can't be stylish?

This new breed of Touring seat uses thicker foam for extra comfort and to evenly distribute weight for increased comfort over long distances. A classic ribbed vinyl together with white piping and a stitched logo at the rear will give your motorcycle a premium, vintage look.

Compatible with Interceptor 650 only.

## SIGNATURE BENCH SEAT, BROWN

**Kit No. 1990481**

For the Custom Look. This Brown Signature Bench seat is quilted and stitched for a premium feel. A thin, flat profile gives your motorcycle a new sense of style and the stitched Royal Enfield logo at the rear finishes it off nicely.

Compatible with Interceptor 650 only.

## BLACK DELUXE TOURING DUAL SEAT

**Kit No. 1990472**

The new Black Deluxe Touring Seat takes comfort to a whole new level. This seat has been designed with comfort purely in mind. Dual density foam and 3D net are moulded onto a new wider seat base that increases the sit bone width by 33% over the stock seat. Featured silver stitching and an embroidered RE logo to add more premiumness to the seat.

## TOURING DUAL SEAT, BLACK

**Kit No. 1990489**

Who says you can't be practical and stylish at the same time?

This new breed of Touring seat is designed to give more comfort on longer journeys. It uses soft-touch material to improve the feel of the ride and also comes with 3D net technology which distributes weight evenly as you sit across the saddle. Red stitching and subtle Royal Enfield branding lend it a touch of style so that when you pair it with the Dual Seat Cowl (available separately) you can bring in-line with the café racer's DNA.

*Compatible with Continental GT 650 only.*

## TOURING RIDER SEAT, BLACK

**Kit No. 1990495**

Make your motorcycle look like a true café-racer.

This new breed of Touring Single Seat uses soft-touch material to improve the feel of the ride and also comes with 3D net technology which offers more comfort by distributing weight evenly as you sit across the saddle. Red stitching finishes off the styling nicely so that when you pair it with the Single Seat Cowl (available separately) you can bring in-line with the café racer's DNA.

Compatible with Continental GT 650 only.

## SINGLE SEAT COWL

Step into the classic café racer lifestyle. Add the colour co-ordinated painted seat cowl to the Single Seat Rider.

### **Part No. KXA00461**

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

## **BAR END MIRROR MOUNTS**

### **Part No. KXA00485**

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

## **BLACK ROUND MIRRORS**

**Part No. KXA00435**

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

# BLACK BENCH SEAT

**Part No. KXA00464**

Experience enhanced comfort and control with our flatter, slimmer seat, designed for optimal weight distribution. The seat provides alternative ergonomics with the rider seat height increased by 22 mm. This height increase can support increased comfort for the taller rider by opening up the knee to foot rest angle.

**SEAT HEIGHT INCREASE**

**+22mm**

## **BLACK URBAN SEAT**

**Part No. KXA00474**

Enhance your riding style with our Urban seat. Featuring a ribbed rider profile, this vinyl-wrapped seat boasts silver-stitched details and embroidered Royal Enfield branding, elevating your motorcycle's visual appeal.

**There is no change in seat height versus the OE Seat.**

ROYAL ENFIELD

# BODYWORK

## HALCYON BLACK PAINTED INSTRUMENT COWL

**Part No. KXA00472**

The injection-moulded painted Instrument Cowl integrates seamlessly, providing effective wind protection.

## **TINTED FLYSCREEN**

**Part No. KXA00473**

Elevate your style with the addition of this meticulously crafted, injection-molded tinted Flyscreen. Designed to seamlessly wrap around your instruments, it provides an extra layer of wind protection for an improved riding experience.

# **BLACK REAR MUDGUARD EXTENDER**

**Part No. KXA00494**

The Rear Mudguard Extender is specifically designed for your Guerrilla 450 to provide extended rear wheel coverage to reduce mud, water, and dirt splash, offering enhanced protection for both rider and pillion.

Material - Glass Fibre Reinforced Plastic

ROYAL ENFIELD

# LUGGAGE

CONSTRUCTED FOR PREMIUM HYPALON AND RPE

PROTECTS YOUR LUGGAGE, WITH IPX6 RATED WATERPROOFING.

## ADVENTURE SOFT PANNIERS

**Part No. 1990270**

A pair of Adventure-styled rolltop bags made from Premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners.

14,5L volume per bag and a 3kg payload each side together with IPx6-rated waterproofing provide ample capacity and protection for your next excursion.

Quick attachment & removal from the motorcycle, carry handles and shoulder straps for easy carrying make them easy to use too. Motorcycle-specific rails are needed are needed for mounting these panniers to the motorcycle.

## MODERN SOFT PANNIERS

**Part No. 1990278**

A pair of modern-styled rolltop bags constructed from premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners.

Each pannier has a volume of 14,5L and can carry a payload of 3kg, providing ample capacity and protection for your next excursion with IPx6 rated waterproofing. Designed for quick attachment and removal from the motorcycle with hand-carry handles and shoulder straps, making them user-friendly and easy to carry.

## BLACK SOFT PANNIER RAILS

**Part No. KXA00478**

Designed for a perfect fit for the Classic Soft Panniers (KXA00256), Adventure Soft Panniers (1990270) and Modern Soft Panniers (1990278)\*, this mounting kit consists of a rail and Stainless Steel fixings to secure it to the motorcycle. A rubber coating is provided to prevent slippage and to avoid scratches over the panniers. It also features investment cast mount brackets for seamless fitment.

\*Panniers are available separately.

## BLACK REAR RACK

**Part No. KXA00481**

A tubular fabricated rear luggage rack with integrated passenger grab handles, designed for fitting a top box or other luggage using tie-down locations.

\*Load capacity: 5 kg

# PROTECTION

Triangulated back to the frame  
Perfectly complementing the stock sump guard

## BLACK LARGE ENGINE GUARDS

**Part No. KXA00437**

Tailored for the Indian market and urban use, the Large Engine Guards offer a wide span and a triangulated back to the frame, perfectly complementing the stock sump guard.

## BLACK COMPACT ENGINE GUARDS

**Part No. KXA00476**

Add a layer of protection to key engine areas without compromising on style or ground clearance. The compact engine guard is minimally styled but structurally engineered to provide protection for the engine cases from static falls. It is made from 22.2mm mild steel tube and has a black dual coating matching the chassis frame for corrosion resistance. This guard is a subtle yet valuable addition to protect your motorcycle.

## RALLY PROTECTION

**Part No. KXA00400**

The 'Rally Protection Kit' replaces the stock plastic sump guard with a compact designed engine-hugging tubular framework and brushed aluminum sump guard. The Rally Protection Kit offers maximum protection with minimum fuss. It ensures secure frame mounting, thanks to bespoke investment castings that distribute the load to the frame and not the engine.

**Tubular framework & brushed aluminium sumpguard**  
Offers Maximum protection

(KXA00404)

Protective design  
Headlight protection against road debris

## **BLACK HEADLIGHT GRILL**

**Part No. KXA00444**

The Protective Grill is purposefully designed to integrate flawlessly with the LED headlight. It's fully homologated, ensuring headlight protection against large debris and optimizing road visibility for a safer ride.

## **BLACK RALLY HAND GUARDS**

**Part No. KXA00426**

The Rally Handguards feature a 2-point forged aluminum spine, providing riders with essential hand protection against wind and debris, all while reducing lever impact. They are compatible with both the OE Screen, GMA Adventure Screen, OE Handlebars & Rally Tapered Handlebar ensuring versatility and convenience.

ROYAL ENFIELD

## BLACK ROUND MIRRORS

**Part No. KXA00435**

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

## **RALLY GEAR LEVER**

**Part No. KXA00406**

Designed for Rally and built to conquer the toughest conditions to ensure you reach the end of the stage.

Crafted from forged aluminium for optimal weight and featuring an adjustable toe peg for riders to fine-tune their setup.

A folding stainless steel peg guarantees a perfectly weighted gear shift and prevents damage from deep ruts or unexpected encounters with the ground.

Gear up for Rally!

Please note, as fitment differs from stock, please refer to the fitting instructions to ensure the correct setting.

## BLACK RALLY HANDLEBAR PAD

**Part No. KXA00402**

Our self-skinned foam handlebar pad features debossed Royal Enfield branding and is designed for compatibility with both OE and GMA handlebars. It retains access to the USB port, ensuring convenience and style in one package.

Hard-coated and Injection moulded  
For scratch resistance

# BODYWORK

## ADVENTURE SCREEN

**Part No. KXA00425**

A taller screen for enhanced wind protection, perfect for high-speed travels. This screen is hard-coated for scratch protection, ensuring durability and clarity. It's also fully compatible with Rally Handguards and Handlebars, offering a complete riding solution.

## RALLY MUDGUARD

**Part No. KXA00410**

The Rally Mudguard and Seat are a matched set within the Rally Inspirational pack, engineered exclusively for each other to elevate off-road maneuverability. With their flatter, gripper-seated design, they increase seat height by 34mm. They are not compatible with stock bodywork or seats.

# SEATS

## BLACK ADVENTURE RIDER SEAT

SEAT HEIGHT INCREASE  
**+7mm**

**Part No. KXA00427**

For adventure riders spending extended hours in the saddle, our product offers enhanced comfort. It features premium materials and a comfort insole for long-term comfort improvement. It maintains aesthetic compatibility with both rider and pillion seats, allowing customers to change one or both while keeping a matching look, combining style with long-lasting comfort.

## **BLACK ADVENTURE PASSENGER SEAT**

**Part No. KXA00428**

Provides enhanced comfort for the adventure rider during extended saddle time. This product boasts premium materials and a comfort insole ensuring long-term comfort improvement. It also maintains aesthetic compatibility with both rider and pillion seats, giving customers the freedom to change one or both while preserving a matching look.

**SEAT HEIGHT REDUCTION**

**-11mm**

## **BLACK LOW RIDE SEAT**

**Part No. KXA00451**

This seat provides enhanced accessibility without compromising the suspension travel or the style of your bike. This seat is easy to install and has two-step adjustability settings of 805mm or 825mm.

The Black Low Ride Seat is colour-matched with bike colourways with stock black seats. Customers with other colourways (seeking to colour match) must purchase the stock black passenger seat to match the Black Low Ride Seat. This can be purchased from spares

# LUGGAGE

## ADVENTURE PANNIERS

These rugged aluminium panniers set off the purposeful styling and 'go anywhere' nature of the Himalayan. They boast thick walled aluminium construction and ABS corner protection with a capacity of 26 Litres and 5kgs payload. Top mounts for strapping down additional loads and a lockable lid ensures safety and peace of mind. Panniers are water resistance, add the adventure inner bags (1990252) for the fully waterproof solution. Pannier Mounting Kit available separately.

### SILVER ADVENTURE PANNIERS

**Part No. 1990274**

### BLACK ADVENTURE PANNIERS

**Part No. 1990276**

## BLACK ADVENTURE WATERPROOF INNER BAGS

**Part No. 1990252**

Designed to fit the Aluminium Panniers, these waterproof roll-top bags will ensure your items are kept safe from the elements. It has a single strap that doubles as a carry handle and has a subtle Royal Enfield branding on both sides.

## BLACK ADVENTURE PANNIER RAILS

**Part No. KXA00432**

The utilitarian and rugged pannier mounting kit is the perfect complement to the Himalayan styling and attaches neatly to the frame. Crafted from 18mm mild steel, it's powder-coated to ensure durability in all conditions. The panniers are sold separately, allowing you to customize your setup as needed.

## ADVENTURE TANK BAG

**Part No. KXA00417**

The Adventure-style Tank Bag is expertly designed for a snug fit on your tank contours, ensuring lock-to-lock clearance for easy maneuvering. It comes equipped with a convenient phone pocket that offers access to a charger port and offers a 1 kg/9 liters capacity.

## BLACK TAIL PACK

**Part No. KXA00442**

Easy to assemble and remove, our waterproof, lightweight bag has a generous 3 kg/19 liters capacity. The tail pack can be mounted either to the pillion seat or top box rack giving a versatile combination that can be tailored to your setup, which can be either with no rack and no top box, with rack but no top box, or with top box & with rack.

## **ADVENTURE TANK RAIL BAGS**

**Part No.KXA00413**

The Adventure-style Tank Rail Bags are thoughtfully designed to snugly fit the tank rail contours of your bike. These bags are not only waterproof but also offer a generous 3 kgs/9 liters capacity each.

## RALLY RACKLESS SOFT PANNIERS

**Part No. KXA00477**

The Rackless Pannier Kit comes with a seat strap and two tail pack bags, making it ideal for off-road riders with soft bag protection. The over-the-seat strap ensures a quick and easy attachment. The Tail Pack bags are fully waterproof, lightweight, and provide a generous 3 kgs / 12.5 liters per side of storage (6Kg / 25L total). In the image, an additional 3 kgs/12.5 liters of capacity from the tail pack can be seen.

Thick-walled aluminium construction & ABS corner protection

Increased durability

## ADVENTURE TOP BOX

The robust aluminum top box is the perfect complement to the Himalayan's styling and adventurous spirit. With its thick-walled aluminum construction, ABS corner protection, and a 40-liter capacity and 5kgs payload, it can accommodate most adventure helmets. It's designed for easy removal without the need for tools, featuring an anti-theft mechanism within the box for added security. The lockable lid offers both safety and peace of mind. The top box is water resistance, adding the adventure inner bag (KXA00294) for the full waterproof solution.

The top box mounting plate is available separately.

### SILVER ADVENTURE TOP BOX

## **RALLY SILENCERS - EU/ UK Only**

### **Part No. KXA00408/ KXA00454**

Dakar-inspired Rally Silencer has been Co-developed with Arrow Special Parts. It is the only silencer proven to work with the original calibration and meets homologation (Noise & Emissions) for EU ECE R41 markets ONLY. The silencer boasts stainless steel internals, a brushed aluminium sleeve and a carbon fibre heat shield for an authentic Rally look. The exhaust tone is significantly improved while still meeting the homologation requirements. The exhaust exit is 125mm higher than stock to improve wading capabilities with a 15% reduction in weight over the stock silencer.

Intended to be fitted along with the Rally Mudguard KXA00410 & Rally Dual Seat KXA00405 for that true Rally visual, however, the Rally Silencer will also fit with standard bodywork.

(Note the Rally Silencer is not compatible with the ADVENTURE PANNIERS or RAILS 1990200/1990230/KXA00432)

**Part No. KXA00181**

Add more comfort on long rides with forged aluminium foot pegs, which come with a larger footprint. The rubber inserts isolate vibrations with their specific bayonet-style mounting design, and these fit both rider and pillion positions.

\*Also available in Black holder (KXA00182)

\*Also available with Black rubber insert (KXA00030/31)

## BROWN AND BLACK DELUXE FOOTPEGS

**Part No. KXA00182**

Add more comfort on long rides with forged aluminium foot pegs, which come with a larger footprint. The rubber inserts isolate vibrations with their specific bayonet-style mounting design, and these fit both rider and pillion positions.

\*Also available in Silver anodised holder (KXA00181)

\*Also available with Black rubber insert (KXA00030/31)

## SILVER DELUXE FOOTPEGS

### Part No. KXA00030

Add comfort to your long rides with forged aluminum footpegs that come with a larger footprint. The rubber inserts isolate vibrations with their specific bayonet style mounting design and they fit both rider and pillion positions. Also available in black.

## BLACK DELUXE FOOTPEGS

### Part No. KXA00031

Add comfort to your long rides with forged aluminum footpegs that come with a larger footprint. The rubber inserts isolate vibrations with their specific bayonet style mounting design and they fit both rider and pillion positions. Also available in silver.

## BROWN FOOT CONTROL RUBBERS

**Part No. KXA00183**

Experience unparalleled comfort and control with our top-of-the-line foot control rubbers. Designed for both performance and durability, they ensure a secure grip and superior feel, making every ride smoother and more enjoyable.

## TOURING SCREEN

**Part No. KXA00659**

Get increased wind protection alongside reduced fatigue, with this hard-coated,

Injection-molded scratch resistant screen. Also, the stainless steel mounting kit with fixings to ensure the screen is always positioned perfectly.

## BROWN HANDLEBAR GRIPS

**Part No. KXA00189**

Upgrade your riding experience with our custom brown motorcycle handlebar grips. Crafted from premium, high-durability materials, these grips offer both a stylish and comfortable upgrade. The rich brown finish adds a classic touch to your bike, while the textured surface ensures a secure, non-slip hold. Brown inspirational kit: mention all relevant brown parts.

# BLACK TOURING HANDLEBAR

## Part No. KXA00800

The Touring Handlebar kit is specially designed with long distances in mind. It is ~33mm taller & ~4mm wider, thereby giving a more relaxed riding position to tackle the long journey ahead.

The kit consists of all components required:

- Black Powder Coated Steel Handlebar
- Extended control cables.

## **BLACK ROUND BAR END MIRRORS**

**Part No. KXA00461**

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

## **BAR END MIRROR MOUNTS**

**Part No. KXA00125**

They have been forged and machined with aluminium stems to offer strength and stability.

## BLACK ROUND MIRRORS

Part No. KXA00435

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

# SEATS

*Gaan Classic*  
350

## **BROWN CUSTOM RIDER SEAT**

**Part No. KXA00187**

Elevate your riding experience with our custom Brown Motorcycle Rider Seat, expertly crafted for both style and comfort. Contrasting shades, flexible polyurethane foam, and an embroidered quilting pattern on the riding surface give a Royal Enfield signature characteristic to the seat. Kitted with the required fasteners for seamless conversion to a bobber (single-seated) motorcycle.

## **BROWN CUSTOM PASSENGER SEAT**

**Part No. KXA00188**

Designed to elevate style and maintain comfort on every ride. Contrasting shades, flexible polyurethane foam, and an embroidered quilting pattern on the riding surface are used to give a Royal Enfield signature characteristic to the seat. Engineered for superior comfort, it features extra cushioning and ergonomic support, ensuring a smooth and enjoyable journey for your passenger. Upgrade your ride with a blend of classic style and modern functionality.

# LUGGAGE

## BLACK COMMUTER PANNIER

**Part No. KXA00076**

This 12.5 ltr. capacity fully injection-molded box with styling cues of classic ammunition crate, is the perfect embodiment of purpose and style. Add a waterproof inner bag, to protect any of your valuables.

\*Requires Black Commuter Pannier Rail KXA00042, which is available separately.

# ACCESSORIES

# PROTECTION

## BLACK OCTAGON ENGINE GUARD

Part No. KXA00633

Enhance your motorcycle with both protection and style with the Black Octagon Engine Guard. Crafted from robust 28.6mm carbon steel tubes with a 1.2mm thickness, these guards are built for durability and corrosion resistance, ensuring long-lasting performance, the Octagon Engine Guard seamlessly blends rugged protection with sophisticated design.

## BLACK COMPACT ENGINE GUARDS

**Part No. KXA00128**

These protection guards are fabricated from 22mm steel tube. These guards are Dual coated for corrosion resistance and durability, with discrete Royal Enfield branding. Stealth fitment adds a discrete layer of protection.

## BLACK LARGE ENGINE GUARDS

**Part No. KXA00129**

The large engine guard is designed for an optimum balance of protection and style. Made with 28.5mm mild steel tube, Guards are dual powder coated for corrosion resistance and durability, with cast & machined Royal Enfield branding in the centre.

## SILVER SUMP GUARD

**Part No. KXA00127**

Riding on rough terrain? Add a layer of protection to the engine and lower frame rails with the sump guard.

Sump Guard consists of a pressed heavy duty aluminium alloy plate with centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

## BLACK SUMP GUARD

## BLACK SIGNATURE BENCH SEAT

**Part No. KXA00139**

The Signature Bench seat brings an element of retro, stripped down style to your motorcycle, especially when used in conjunction with the KXA00142 Tail Tidy. The soft-touch ribbed vinyl and bench styling elevate your Hunter 350 and the saddle forms a more ergonomic shape around which to feel closer to the riding experience.

## BLACK CUSTOM SEAT

**Part No. KXA00140**

The Custom seat is a more sporty iteration of the Stock seat styling, but brings with it a refinement in quality as well. It has a narrower profile and tighter back end to improve the aesthetic, but these are combined with plush finish and 3D net technology to provide a comfort improvement as well.

Red stitching finished this seat off nicely and draws a parallel with the iconic Royal Enfield Cafe Racer seat styling.

When combined with the KXA00142 Tail Tidy, this Custom seat will provide a significantly sportier aesthetic and feel to your Hunter 350.

## BLACK LOW RIDE DUAL SEAT

**Part No. KXA00631**

The Black Low Ride Dual Seat lowers the seat height by 21mm while maintaining ample foam thickness to ensure even weight distribution and long-lasting comfort on extended rides.

Designed to be waterproof, it also features a heat-embossed Royal Enfield logo, adding a touch of style and authenticity.

## **BLACK PASSENGER BACKREST MOUNTS**

**Part No. KXA00141**

Styled for the HNTR 350, the passenger backrest Mounts are cast aluminium and which provide the mounting structure for the Black Backrest Pad.

\*Black Passenger backrest Pad (KXA00158) is available separately.

## **BLACK PASSENGER BACKREST PAD**

**Part No. KXA00158**

The black backrest pad has been designed to support the lumbar of the pillion. Constructed in the same manner as the seats themselves it's the perfect match.

\*Passenger Backrest Mounts (KXA00141) is required and available separately.

**STRUCTURED DESIGN**  
**TO SUPPORT THE LUMBAR**  
**OF THE PILLION**

\* Also available in Black, part number KXA00132

\* Designed for the Stock seat only"

## TAIL TIDY

Part No. **KXA00142**

Tidy up the tail of your Motorcycle and give it a sporty look with this minimalistic mudguard and number plate mount.

Replacing the stock mudguard with a much smaller one, the tail tidy relocates the tail light, indicators and number plate to bring them closer together and inboard towards the seat. This enhances the sporty aesthetic of the HNTR 350, especially when combined with the KXA00139 Signature seat (available separately)

## TINTED FLYSCREEN

**Part No. KXA00126**

Speed through the wind with the injection-molded tinted flyscreen which adds a level of wind protection when you ride. This is an easy to fit flyscreen.

**Note:**

**KXA00126 is compatible with Hunter 350 motorcycles with Halogen Headlamp setup.**

**KXA00655 is compatible with Hunter 350 motorcycles with LED headlamp setup.**

## TINTED FLYSCREEN

**Part No. KXA00655**

Speed through the wind with the injection-molded tinted flyscreen, which adds a level of wind protection when you ride. This is an easy-to-fit flyscreen.

## DELUXE FOOTPEGS, SILVER

**Part No. KXA00030**

Add comfort to your long rides with forged aluminum footpegs that come with a larger footprint. The rubber inserts isolate vibrations with their specific bayonet style mounting design and they fit both rider and pillion positions. Also available in black.

## DELUXE FOOTPEGS, BLACK

**Part No. KXA00031**

Add comfort to your long rides with forged aluminum footpegs that come with a larger footprint. The rubber inserts isolate vibrations with their specific bayonet style mounting design and they fit both rider and pillion positions. Also available in silver.

## BLACK TOURING HANDLEBAR

**Part No. KXA00800**

The Touring Handlebar kit is specially designed with long distances in mind. Giving a more relaxed riding position to tackle the long journey ahead.

Coupled with the Touring Rider & Passenger seats, this will transform the base motorcycle.

The kit consists of all components required:

- Stainless Steel Handlebar
- Extended control cables

## **BROWN AND SILVER DELUXE FOOTPEGS**

**Part No. KXA00181**

Add more comfort on long rides with forged aluminium foot pegs, which come with a larger footprint. The rubber inserts isolate vibrations with their specific bayonet-style mounting design, and these fit both rider and pillion positions.

\*Also available in Black holder (KXA00182)

\*Also available with Black rubber insert (KXA00030/31)

## **BROWN AND BLACK DELUXE FOOTPEGS**

**Part No. KXA00182**

Add more comfort on long rides with forged aluminium foot pegs, which come with a larger footprint. The rubber inserts isolate vibrations with their specific bayonet-style mounting design, and these fit both rider and pillion positions.

\*Also available in Silver anodised holder (KXA00181)

\*Also available with Black rubber insert (KXA00030/31)

## **BROWN FOOT CONTROL RUBBERS**

**Part No. KXA00183**

Experience unparalleled comfort and control with our top-of-the-line foot control rubbers. Designed for both performance and durability, they ensure a secure grip and superior feel, making every ride smoother and more enjoyable.

## **BROWN HANDLEBAR GRIPS**

**Part No. KXA00189**

Upgrade your riding experience with our custom brown motorcycle handlebar grips. Crafted from premium, high-durability materials, these grips offer both a stylish and comfortable upgrade. The rich brown finish adds a classic touch to your bike, while the textured surface ensures a secure, non-slip hold. Brown inspirational kit: mention all relevant brown parts.

## BLACK ROUND BAR END MIRRORS

**Part No. KXA00461**

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

## BAR END MIRROR MOUNTS

**Part No. KXA00277**

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM bar end finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

\*1990401 & KXA00276 Bar End Mirrors are available separately

## **BLACK ROUND MIRRORS**

**Part No. KXA00435**

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

# SEATS | BODYWORK

## **TOURING RIDER SEAT, BROWN**

**Part No. KXA00070**

The all-new Touring Rider seat with dual-density foam offers more support and confidence to the rider. Also, the use of 3D net technology evenly distributes weight while adding to the comfort. The ribbed vinyl gives a luxurious style to the seat, while the piping, additional stitching and embossed logo add to the premium nature of this seat. Also available in black.

\*Brown Touring Passenger Seat KXA00072 is available separately.

## **TOURING PASSENGER SEAT, BROWN**

**Part No. KXA00072**

The Touring Passenger seat comes with a bespoke cushion that gives maximum support on long rides. Its dual-density foam controls the comfort with an upper, open-cell layer combined with 3D net technology to evenly distribute weight and iron out high-stress spots. This is laid over a firmer main body of foam to provide more support. The seat surface has a luxurious feel with the ribbed vinyl. The piping, stitching and embossed logo add to the classic nature of the seat. Also available in black.

\*Brown Touring Rider Seat KXA00070 is available separately.

## **RIDER SEAT SPRING KIT, SILVER**

**Part No. KXA00080**

Give your seat a vintage look with the rider spring seat kit. The springs mount underneath the accessory or stock rider seat to enhance the authentic style.

## **REAR RACK, BLACK**

**Part No. KXA00091**

Keep your motorcycle ride-ready with this black-powder coated luggage rack. Made from a 16mm steel tube, it is versatile, and corrosion-resistant. It mounts behind the passenger seat and includes an integrated grab handle for the passenger.

Load Limit: 3Kg

## **TOURING RIDER SEAT, BLACK**

**Part No. KXA00069**

The all-new Touring Rider seat with dual-density foam offers more support and confidence to the rider. Also, the use of 3D net technology evenly distributes weight while adding to the comfort. The ribbed vinyl gives a luxurious style to the seat, while the piping, additional stitching and embossed logo add to the premium nature of this seat. Also available in brown.

\*Black Touring Passenger Seat KXA00071 is available separately.

## TOURING PASSENGER SEAT, BLACK

**Part No. KXA00071**

The Touring Passenger seat comes with a bespoke cushion that gives maximum support on long rides. Its dual-density foam controls the comfort with an upper, open-cell layer combined with 3D net technology to evenly distribute weight and iron out high-stress spots. This is laid over a firmer main body of foam to provide more support. The seat surface has a luxurious feel with the ribbed vinyl. The piping, stitching and embossed logo add to the classic nature of the seat. Also available in brown.

\*Black Touring Rider Seat KXA00069 is available separately.

## PASSENGER BACKREST MOUNTS

**Part No. KXA00094**

Give your backrest pad proper mounting structure with the passenger backrest mounts. These comes with cast aluminium backrest arms, which are powder coated for durability.

\*Black/ Brown Passenger Backrest Pad (KXA00097/KXA00150) is available seperately.

## **PASSENGER BACKREST PAD, BLACK**

**Part No. KXA00097**

Enhance the lumbar support of the passenger with the specially designed backrest pad. It comprises a steel skeleton, a foam cushion and the same vinyls that cover the seats.

\*Passenger Backrest (KXA00094) required and is available separately. The color of Brown Backrest pad (KXA00150) matches only with brown stock seats.

## **PASSENGER BACKREST PAD, BROWN**

**Part No. KXA00150**

## **LOW RIDE RIDER SEAT, BLACK**

**Part No. KXA00051**

The Low Ride seat offers an 32 mm reduction in height and utilizes 3D net technology to evenly distribute weight for enhanced comfort over long rides. It comes with a Royal Enfield tag and is styled the same as the OE seat. Also available in brown.

**SEAT HEIGHT REDUCTION**  
**-32mm**

**Premium stitch and material**

Superior touch and feel

## **LOW RIDE RIDER SEAT, BROWN**

**Part No. KXA00052**

The Low Ride seat offers an 32 mm reduction in height and utilizes 3D net technology to evenly distribute weight for enhanced comfort over long rides. It comes with a Royal Enfield tag and is styled the same as the OE seat. Also available in black.

**SEAT HEIGHT REDUCTION**  
**-32mm**

## TOURING SCREEN

**Part No. KXA00147**

Get increased wind protection alongside reduced fatigue, with this hard-coated,

Injection-molded scratch resistant screen. Also, the stainless steel mounting kit comes with fixings to ensure that the screen is always positioned perfectly.

**Powder-coated steel bezel**

To streamline the headlight

**AERO VISOR,  
SILVER**

**AERO VISOR,  
BLACK**

Streamline your headlight with the polished & branded stainless steel headlight bezel. It has an integrated visor peak and is also available in powder-coated black and highly polished silver.

**Part No.  
KXA00085**

**Part No.  
KXA00089**
